# ST. STANISLAUS COLLEGE MCMLXXXVII

304 S. BEACH BLVD.
BAY ST. LOUIS, MISSISSIPPI

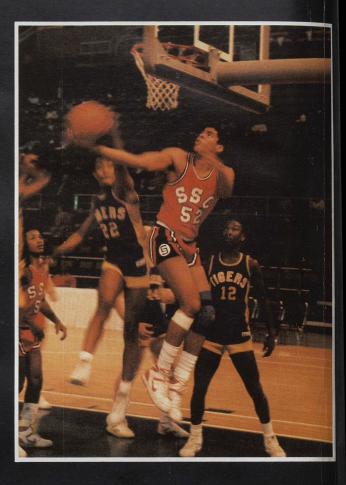

## **EXCELLENCE**

 the state of possessing good qualities in an eminent degree; superiority.

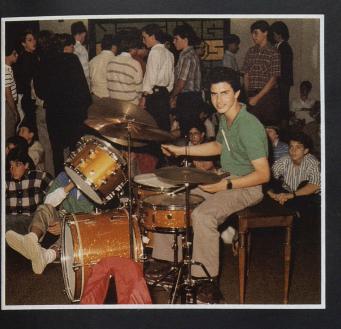

St. Stanislaus has a long tradition of excellence. This quality is one of many promoted by its Christian atmosphere. Excellence is attainable by all those who have the will to strive for it.

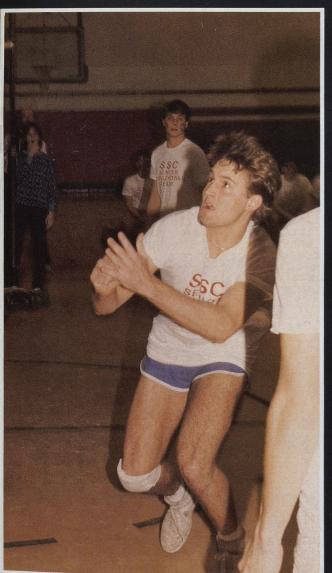

Here at St. Stanislaus different people excel in different things. Whether it is academic, spiritual, or athletic excellence, it is easily recognized and respected by others. If this asset is obtained, it shall reap great benefits for the future.

## **DEDICATION**

— an act or rite of dedicating to a divine being or a sacred use; a devotion or setting aside for a particular purpose.

At St. Stanislaus, many different people are dedicated to many different ideas or concepts. This is what makes the St. Stanislaus community so special. Without people dedicating themselves to reach a specific goal, there would be little or no enthusiasm around school. Dedication is a moving factor in our existence; it helps us make it through every day. Here at St. Stanislaus, our high level of dedication is unique, and it is definitely a special and important part of our little "community."

David Diboll Class of '87

## **VALUES**

a principle, standard, or quality considered worthwhile or desirable.

Values are a key link in the education one receives at St. Stanislaus. The Catholic environment furnished by the Brothers helps young adolescents to become responsible, moral men. It enables the students to determine their priorities, and what is valuable to them. The objective of the Brothers is to instill these values into their students individually so that they may be carried out of the classroom and into the world.

## **LEADERSHIP**

— the ability to assume the position of guiding or heading in a direction, course of action, or opinion.

A leader has charisma and is admired by other people. He takes charge, always determined to succeed, and meets a challenge head-on. A leader is an independent self-made man who is never afraid to be himself despite what others say or do.

There are many leaders at our school. Some are leaders in sports, while others exercise their leadership in the classroom.

## PRIDE

— a sense of one's own dignity, self-respect. A person or thing that one is proud of. The best of a class, group, etc.

St. Stanislaus graduates have pride in themselves. They gain self-esteem by knowing that through their own effort — along with the support of the faculty — they will have greater potential for success during their lifetime.

# **ENTHUSIASM**

— keen interest, excitement, or eagerness.

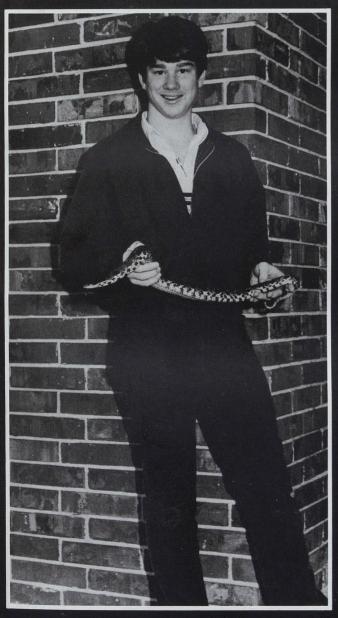

The great spirit of the student body of St. Stanislaus is a large part of all school activities. The student's enthusiasm is shown in their support of football, basketball, band, and all other school functions. The enthusiasm of the alumni is evident in the large number of graduates who return for Homecoming year after year.

## UNITY

— the state of being one; oneness of mind.

No community can exist without unity, and St. Stanislaus is the perfect example of it. We have learned to live together as one. We are different from one another, but our school binds us together. Each one of us participates in his favorite sport, activity or hobby; each person gives his best for the common good. Through a Christian education we are prepared for the future, and we develop our morals and character. We shall leave one day and never come back, but our memories will remain with us forever — unity.

**FEATURES** 

### Band =

The St. Stanislaus Marching and Concert band has had a terrific year with over 12 public performances to its credit. The program headed by Mr. Howard Weaver, includes students from St. Stanislaus as well as some students from Our Lady's Academy. During the 1986-'87 school year the Marching Band performed "half-time shows" during eight of the Varsity football games, orchestrated most of the music for the annual "Christmas Cantata," and put together a small ensemble for the Christmas Mass. The Marching Band consistently participated in "pep rallies" and other school related functions. Several musicians have participated in various individual honor activities such as the Lion's All-State Band tryout, the Gulf Coast Clinic and solo and ensemble festival, the State Band Clinic and the Junior High Solo and Ensemble festival. In February and March the marching band marched in two local area parades. And at the end of the year, the Concert Band provided excellent entertainment with its annual Spring and Awards Concerts. Mr. Weaver notes — "This is a very good 36 piece band which possesses lots of enthusiasm and ability."

Band officers for 1986-1987 were: Darren Hazeur, President; Mark Margiotta, Vice-President; and Suzanne Hille, Secretary-Treasurer. Drum Majorette was Crystal Davidson.

# Barbershop Chorus =

Four people singing together may not seem exciting at first, but when they're singing Barbershop — that's a whole other story.

Barbershop singing consists of either a quartet or chorus singing four different parts to the same music. The lead carries the main melody while the baritone, bass, and tenor harmonize with him.

Barbershopping is fun! It gives people a chance to shine, a chance to do what they've always wanted to do . . . burst out into song!

Brother Pierre St. Pierre, S.C. was the moderator of this activity and did more than a fantastic job.

## Quartet ==

# **Boy Scouts**

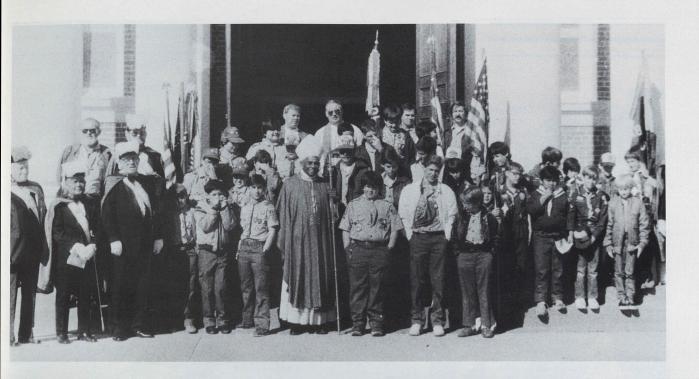

The Boy Scout Troop 86 is a branch off Boy Scouts of America. The reasons one joins the Scouts is to better one's character both physically, mentally, and spiritually. To enter the Scouts one must show self-discipline. However, Scouting isn't some organization where one just sits around. Everyone has to keep busy to try to better the group. Of course fun is the main objective. Brother Dwight, who has been Scoutmaster for a long time, and Brother Timothy, his assistant, not only enjoy scouting themselves, but also bring that enjoyment to the scouts as well.

### Cheerleaders

1986: 87 S.S.C. Cheerleaders: Front Row — Andrea Ambrose, Monique LeBourgeois, Daphne Lott, Kelli Lee, Leigh Triche, Jessica Deffes. Back Row — Brother Aquin (moderator), Clinton Edwards, Scott Comeaux, Vincent Talazac, Tommy Lenz, Jean Larroux, Chris Schmidt.

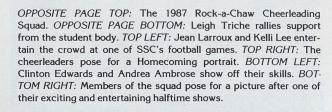

The 1986-'87 Cheerleaders were very active. They cheered for all of the football games as well as the basketball game in the Gulf Coast Coliseum. The squad cheered the New Orleans Saints on to victory in the superdome when they beat the favored L.A. Rams.

Brother Aquin, the moderator, shaped four veteran cheerleaders and eight new ones into a fine squad. The squad constructed many different pyramids and partner-teams performed humerous stunts.

The captains were Kelli Lee and Vincent Talazaic. The season was closed with a Sports Banquet in which the Cheerleaders received commemorative tokens of appreciation.

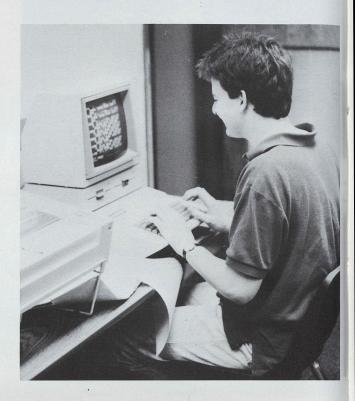

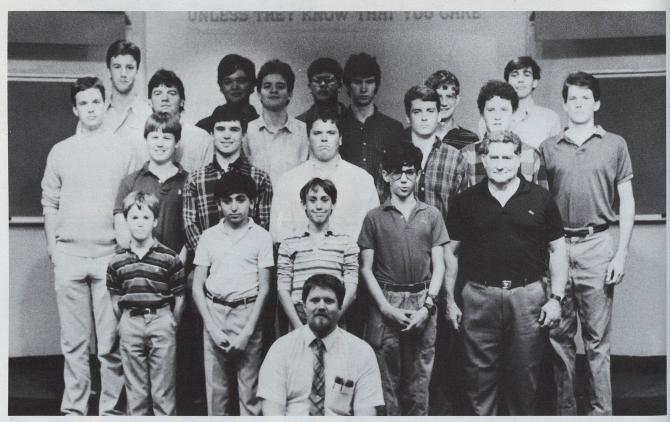

## Computer Club

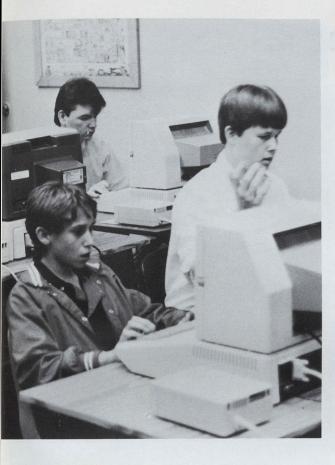

The Saint Stanislaus College Computer — User's Association (S.S.C.U.A.) was founded during the '86-'87 school year. This new club's inception was a collaborative effort between five S.S.C. students, Mr. Franklin (who would become moderator), and Brother Paul Montero. The S.S.C. Constitution states the club's purpose as: "... providing information and support to student computer users of all systems, providing a forum for members to share interests in an informative setting, and providing a function wherein spiritual, moral, and cultural interactions could be promoted."

As a member of Apple Computer Clubs international, S.S.C.(J.A. is involved in various merit competitions. Members are encouraged to participate in several service projects throughout the year. The most important social service involves sharing computer literacy with elementary school students in the Bay Area. In addition to service projects, the club tours local businesses to see "hands-on" usage of computer facilities. This year's most memorable visit was to the N.S.T.L. computer complex, which proved to be very educational and exciting for all the members attending.

Club Members: William Franklin moderator, Truman Schultz, Scot Pfaff, Greg Keife, Mike Switzer, Alex Helwig, John Swider, Chris Arcement, Mario Alessi, Eric Hill, Key McKinnis, Bruce Barker, Chris Gilbert, Carl Bolian, Greg Blanchard, Will Falcon, Jarrod White, Wedon Brown, Mesute Atimtay, David Gianechini.

### **Drama**

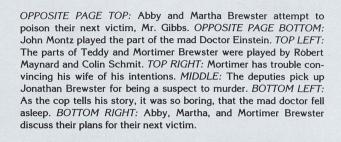

What is Drama? Drama is the soul of the stage, the life of an actor, the essence of the script.

1986-'87 saw drama in the form of Joseph Kesseling's three act comedy "Arsenic and Old Lace." The play concerns two eccentric spinster sisters who have the habit of murdering their guests with spiked elderberry wine.

The 15 member cast was composed of students from our school as well as Our Lady's Academy. The cast included Abby Brewster played by Sabrina Kersanac; Martha Brewster by Leslie Gleber; Teddy Brewster by Robert Maynard; Mortimer Brewster by Colin Schmit; and Jonathan Brewster by Scott Comeaux. The play was under the direction of faculty moderator Walter Damiens.

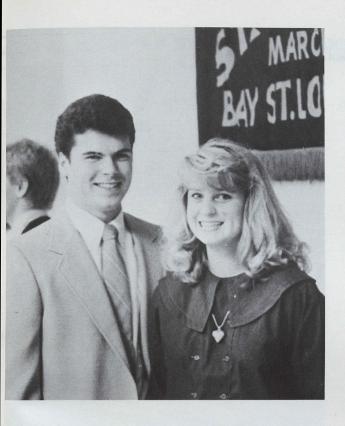

# — Foreign Languages =

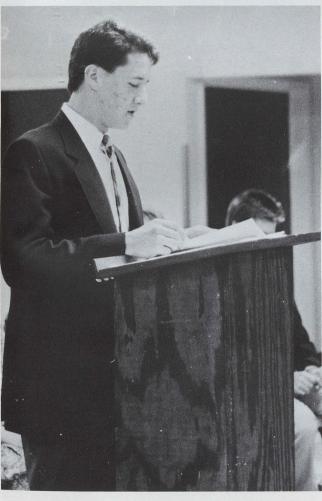

The Foreign Language club is a newcomer on campus this year. In an attempt to interest students in Foreign Languages and cultures, Mrs. Cichon has put together a high-interest, high appeal organization. Dedicated to offer programs as well as meals featuring cuisine of different countries, the club has also sponsored Internationally inspired societies for its members. "The members of our club are as enthusiastic as they are charming," said Mrs. Cichon. "Everyone enjoyed the Christmas Soiree where we were joined by three exchange students from Sweden and our own Mexican students to sing songs and share stories." Another popular meeting was the "alligator supper" with Cajun music (food and music provided by Mr. Dantin and his sons Ron and Brent.)

French Honor Society: Front Row — John Montz, Dee Dee Strong, Nicole Montagnet, Clark Adams; Back Row — José Lau, Robert Maynard, Louis Schruff, Steve Bouis, Marco Lau, Scott Comeaux, Steve Montagnet, David Bourgeois.

# Homecoming

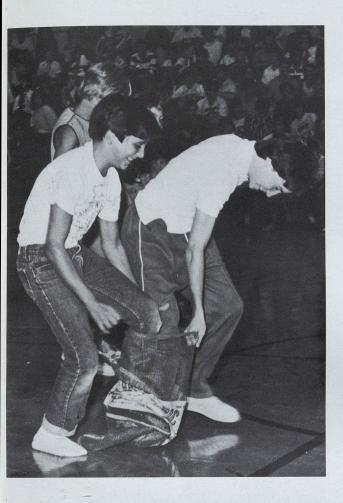

Each year there is always one time that everyone looks forward to besides summer vacation. It is Homecoming. This is a time where many memories are recalled and many more are made. When the alumni come back at Homecoming they each remember special things about their years at St. Stanislaus.

The festivities get under way with the spirit display contest, in which each grade participates. On Thursday night everyone gathers in the gym for the big pep rally. Here all get excited and become high spirited. On Friday night the alumni and friends gather for their annual cocktail party. Here, many good times are recalled and many friendships rekindled. Following this is the big football game. Here the Homecoming Court is presented for all to see. On Saturday night the students dance the night away with their dates at the Homecoming Dance. This year's Homecoming festivities were a great success and set the stage for many more memorable times to come.

### - Alumni

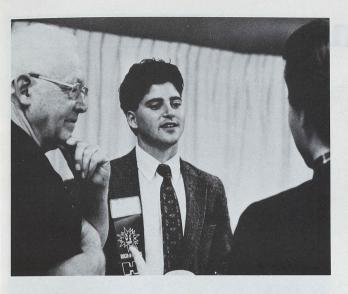

Class of 1947: Seated from Left — Buck Farr, Ed Caire, Wally Bontemps, Norbert Schmidt, Bill Logan, Leon Ferrier, and Charlie Kiefer; Second Row — Stoney Dale, C. J. Piazza, Enrest Daunis, Brother Ramon Daunis, August Sager, Nils Sjodahl, Johnny Bonck, J. T. LaNasa, Bob Johnson, and Graham Dacovich; Back Row — Clyde LeBlanc (former Brother Dacien), Wally Burns, Dick Alba, Jerry Schoen, Buddy Holmes, Ray Carrio, Hunter Stewart, Ray Stieffel, Donald Owen, and Ed Rantz.

Over 500 S.S.C. Alumni and friends gathered for this year's annual reunion on January 31 at the Jefferson-Orleans. The class of 1947 led all classes with a total attendance of 29 members (or 60% of the living members of the class). Special recognition was given to Buck Farr and J. T. LaNasa for the "great job" they did as representatives of the class of '47. Other honor classes with good showings included classes of 1957, 1962, 1967, and 1977.

In no other year have alumni come from such great distances to be with their classmates for the reunion.

S.S.C.'s Alumni was particularly successful in recommending students whom they feel would benefit from the type of education and formation provided at St. Stanislaus. This has been particularly apparent in the boarding department where parents of prospective students seek help from our alumni as to the advisability of sending their son to a boarding school.

## Intramurals =

Over 200 students participated in this year's Intramural Program. In both Senior and Junior divisions, competition was hot and heavy. In Football, this year's overall champion in the Senior Division was 11B. On the Junior Division level, 10B took top honors. In Soccer, 11B claimed the Senior Division title while 9A took the Junior Division. 11A was overall champion in Senior Division Basketball and 10B walked away with Junior Division Basketball Honors.

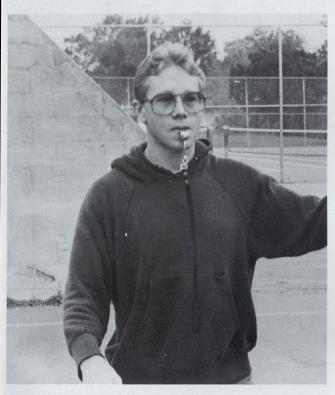

In addition, many Sixth, Seventh, and Eighth coached the Little Rocks through a winning season.

## Photography

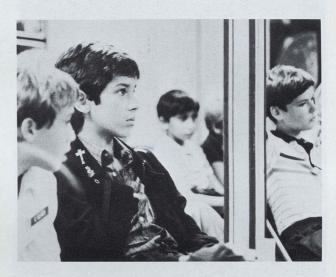

The St. Stanislaus Photography Staff is responsible for taking, developing, printing and providing pictures for Yearbook, L.W.A.S., and the local newspapers. They are to be everywhere at once documenting as many of the school's events as possible. They must not fail in their task, for if they do, a portion of our school's history is lost forever. Lack of experience is no excuse for poor work. Staff photographers must constantly be making sure that they have adequately covered an event. They must be able to make last minute changes in their daily schedule to accommodate an event not listed on their assignment. They must know when to manipulate an audience and when to blend in with the crowd. In order to fill this role, the photographer must be a responsible, dedicated person. This year's photography staff — as inexperienced as it was — was able to fill this role.

This year's staff photographers — Sandy Sarpy (Head Photographer) Tommy Jennings, David Gianechini, Joe Sellers and Jonathan Morril (Contributing Photographer). We were fortunate enough this year to have Mr. Ackerman and Mr. Jennings help us cover this year's events.

OPPOSITE PAGE TOP: Head Photographer Sandy Sarpy sets up a photograph at the Awards Assembly. ## Project DO =

The students looked forward to seeing their groups. In every group they visited, they knew names and faces. As the year progressed they became closer. At the session's climax, the relationships were as big brothers to the children and grandchildren to the elderly.

### **Quiz Bowl**

Although St. Stanislaus has been competitive in the WYES Varsity Quiz Bowl Tournament for years, this was the first year that our team gained much publicity. S.S.C. was invited to compete in the Gulf Coast Scholar's Bowl Competition which is a series of eight matches with winners declared in each. The Rocks fell in a close match to Biloxi High during the first round competition but came back to defeat Pass Christian (in over-time) and Bay High. In the second competition, S.S.C. defeated St. Martin, O.L.A., and Bay High to qualify for the Championship "Rapid-Fire" round. S.S.C. defeated D'Iberville to take the honors.

#### Radio Club

The S.S.C. Radio Club is an organization which lets a person better himself in patience, stamina, and skill. The radio club teaches people the basic fundamentals of communication over the air waves to other people in different cities, states, and countries. The radio club teaches the art of amateur radio. Since amateur radio cannot be used for professional purposes, it is used as a very exciting hobby by people all over the world. Students here at S.S.C. have made several contacts within the United States — California, Texas, Miss., Louisiana, New York, Florida, and Washington, as well as foreign countries such as Argentina and Japan.

The club meets on a weekly basis. The club activities are mainly learning skills and aquiring experience over the air waves. The instructor, Brother Eduardo, has been involved in HAM radio for quite some time. As a former Earth-Space teacher, he uses his teaching skills in teaching us.

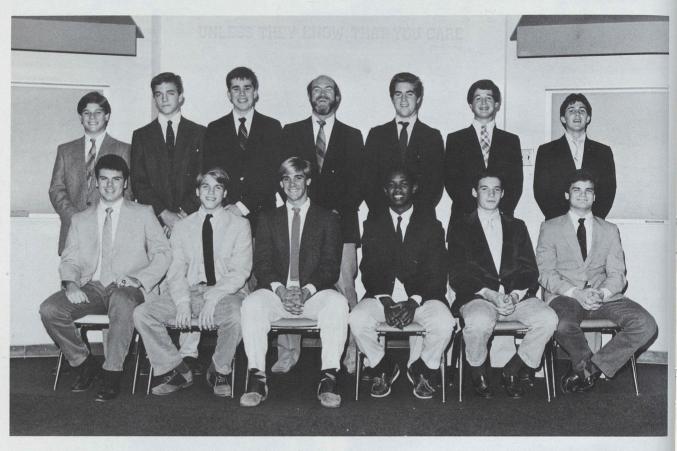

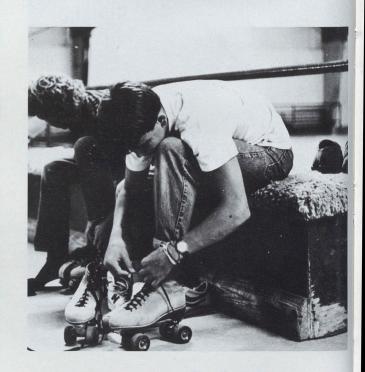

OPPOSITE PAGE TOP: Brother Eduardo, club moderator, attempts to receive a clear station for Stanley Leblanc to transmit while Michael Bingham observes. ## Student Council =

The 1986: 87 Student Council: Brian Alexander, David Bast, John Baxter, David Diboll, John Endom, Jack Lightfoot, Tony Mallini, Steve Montagnet, Louis Schruff, Ya-Sin Shabazz, Joe Sellers, Mr. Bill Jennings (moderator).

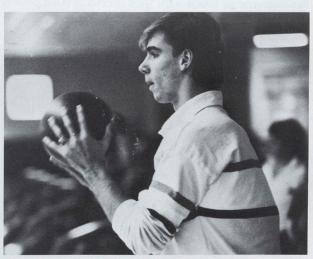

The '86-'87 Student Council set a high standard of leadership by sponsoring several student oriented activities throughout the year. The student council held a pool tournament and skating party to start off the school year - followed by a fishing rodeo and skateboard contest. This year's Thanksgiving Basket Project was headed by the council as well. In December, the student council sponsred a bowling party and a ping pong tournament. During the second semester, similar activities — including a "spirit dance" — were also sponsored by the organization. By the end of April campaigning had begun for next year's officers. By the time school ended, a newly elected council was well underway planning next year's activities. This year's Student Council was under the supervision of Bill Jennings.

### **Student Masses**

This year, a great interest was shown in the Liturgy Planning Committee. This organization, led by Mr. Ackerman and Mr. Eldringhoff, met on their free time to choose songs and readings and to arrange the Mass. This committee was composed of students willing to offer their special talents and their time. The efforts by students gave the Mass a special flair which brought the students in touch with their worship. This "flair" extended past the students who planned the Mass into the student body.

## Weightlifting

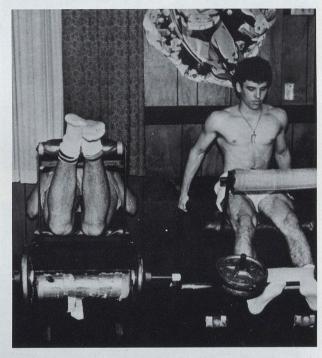

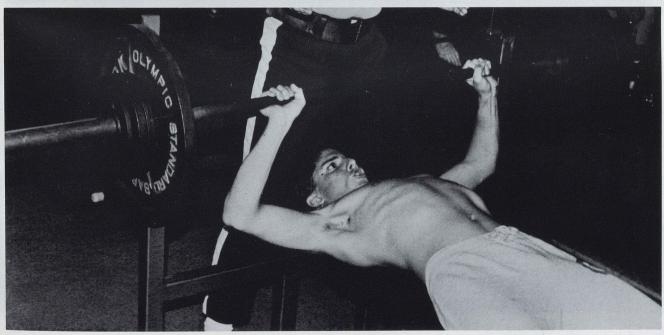

The St. Stanislaus Weightlifting Club had another successful year with Ron Engel placing in the 21st Mississippi Invitational State Powerlifting Championships held in Gulfport. The meet was, in part, under the direction of Ray Hanser — who formerly taught at S.S.C. Ron placed second in the 123 pound class with a squat of 270, a bench of 181 and a deadlift of 308 for a total of 759 pounds. This was Ron's second official contest — he has increased his totals by 50 pounds. His successful lifts have earned him an invitation to compete again in the Louisiana State Championships on June 6 of this year with the chance of qualifying for the American Drug Free Powerlifting Association's Teenage Nationals to be held in Wisconsin.

OPPOSITE PAGE TOP: Ron Engel placed second in MS. State Meet. Ron is shown here benching 187.5 pounds. OPPOSITE PAGE BOTTOM: Tommy Lenz exhibits the deadlift form. #### - Yearbook

A school's yearbook serves many purposes. The main purpose though is to preserve memories. As students go through their lives after High School they can always go back to their yearbooks and recall many happy times.

A school's yearbook also says a lot about the particular school and what kind of atmosphere it promotes. When prospective students are choosing a school to attend they usually go through the particular school's yearbook to aid them in their decision making. This is one of the many ways a yearbook is so important to schools.

In order for the yearbook to become reality it must be produced by a qualified staff. Yearbook staff members must possess many qualities. Among them are leadership, dedication, creativity, and originality. Along with these qualities, staff members must also put in many hours on their own time to produce a memorable yearbook.

OPPOSITE PAGE TOP: Stanely Leblanc sorts through pictures to be used in the new Honors section. OPPOSITE PAGE BOTTOM: Senior Editor-in-Chief Chuck Breath designs the Homecoming section. ## L.W.A.S.

Last Week At Stanislaus, known as L.W.A.S. around campus, is simply two bulletin boards located on the dorm side of the school building. What appears on those bulletin boards, however, is what's important. Every week articles, pictures, and memos are left there to commemorate the activities of the previous week. Senior Colin Schmit (RIGHT AND BOTTOM) was responsible for compiling the board. The L.W.A.S. was moderated by Mr. Mike Gemelli, and Brother Joseph Donovan, S.C.

Special Moments

# Ring Mass

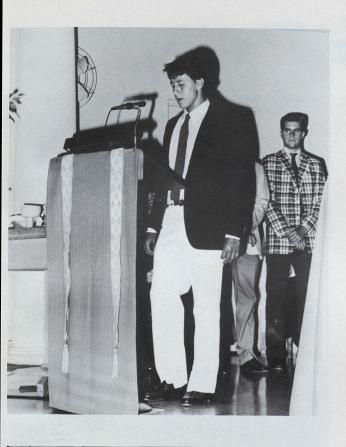

Seventy-one seniors, representing the 133rd graduating class of St. Stanislaus, received senior class rings September 3, 1986 in the school chapel.

Father William Kelley, SVD of St. Augustine Seminary was celebrant. The ceremony was attended by parents and friends of the seniors and faculty members.

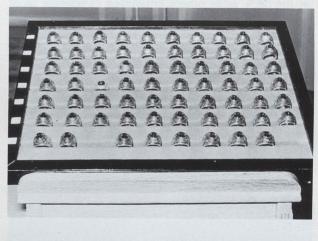

Brother William, SC, was master of ceremonies. Brother Paul, SC, principal, distributed the rings, assisted by Brother Noel, SC, dean of students, and Michael Ryan, academic assistant principal.

In a short address to the seniors, Brother Paul stressed the significance of wearing the senior ring as a symbol of importance of maintaining the rich tradition of St. Stanislaus.

## Senior Prom

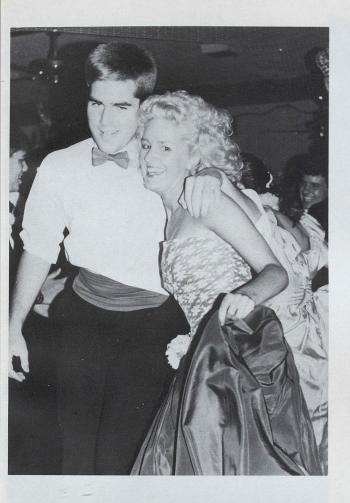

This year's prom was a great success. It was held at the Bay-Waveland yacht club with I-DU 2 providing the music. The "Tropical" theme put everyone in a festive mood. This was evident when a group of seniors started "Gatoring." Some couples socialized on the deck while others attempted to squeeze all of their friends in group pictures. As the night went on, Carter Stewart entertained the crowd with his backup vocals on "Good Love." At the end of the evening many people went in search of more fun at post prom parties. This year's prom set the stage for many more enjoyable ones in the future.

## Senior Induction

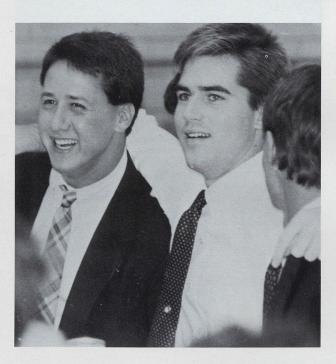

On May 15, 1987 the Senior Class of 1987 gathered for the annual Senior Induction. It is at this time when the seniors are officially initiated into the Alumni Association. It is also the last time that the seniors will

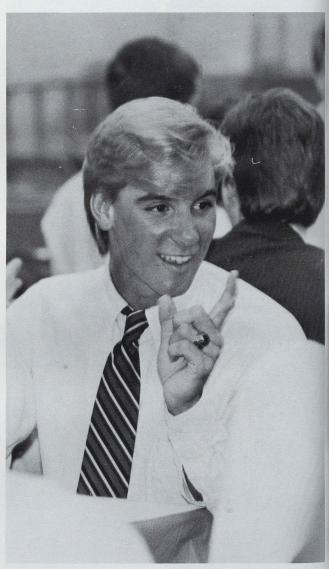

gather as a class before graduation.

The prayer before the evening meal was led by graduating senior Tommy Lenz. Master of Ceremonies for the evening was Brother Aquin. Brother Paul Montero, principal, spoke to the seniors of the importance of unity and how individual development is essential to the success of the group. Judge Walter Gex, class of '57, was guest speaker. Judge Gex emphasized the importance of religion in an individual's life. Both speakers were well received and enjoyment was felt by all throughout the evening. Graduating senior John Winters led the closing prayer.

STAFF

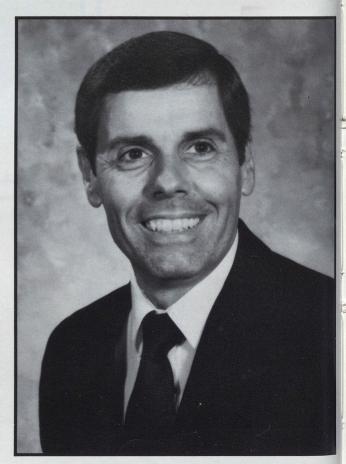

# Faculty

There were several key changes in Administration this year. Brother Paul Montero S.C. (Right) served as Principal for the 1986-'87 term while Michael Ryan took the position of Academic Assistant Principal. Brother Noel Lemmon took the title of Dean of Discipline and coach Vernon Powell moved into the position of Athletic Director.

There were also several newcomers joining the ranks of the St. Stanislaus family including: (TOP PHOTO, LEFT TO RIGHT) Don Gholston — Reading, Brother Bernard — Guidance, Brother Timothy — 7th Grade General Subjects, William Franklin — Mathematics, Cecil Spotswood — Assistant Prefect, Tom Eldringhoff — Religion, Robert Memleb — Assistant Prefect, and Eddie Burgo — Science.

The St. Stanislaus faculty and family suffered the loss of two valuable members. Brother Hilbert died early within the school year after serving faithfully for over 40 years. Mrs. Kathy Pair died suddenly at the beginning of the fourth quarter. Both are dearly missed.

The highlight of the Rocks' season was their defeat against East Central. They went out from the opening kickoff playing hardnose football. They took control of the game early when East Central fumbled and David Diboll picked it up and ran it in for 6 points. Rob Beecher came through with the extra point. The Rock "Graveyard" Defense held the opponent from catching up. The Rocks went into halftime with a 7-0 lead.

The Rocks came out still strong in the second half but East Central got a lucky break and scored. With a 2 point conversion the score became 7-8 East Central. With only minutes left in the game, the Rock-a-chaw offense had to hustle. Ascani received the kickoff and brought the ball to the Rock-a-chaw 30 yardline. A major offensive drive brought the ball to the 36. With SECONDS left in the game, Coach Powell called on the talents of Rob Betcher to kick a 52 yard fieldgoal. The ball was snapped . . . the rush was on . . . the ball was kicked . . . and in less than a second the fate of East Central was determined. When the final second ran off the clock, the score showed 10-8 in favor of S.S.C.

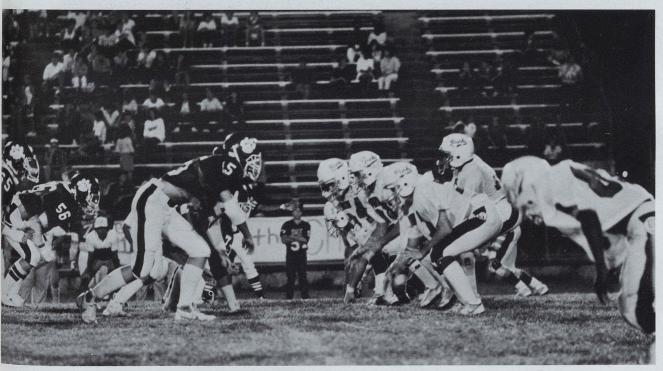

This year's head Coach and Athletic Director was Vernon Powell, Assistant Coaches were Chuck Genin, Rod Herring, Larry Ramsey, Jerry Spell, and Mike Gemelli. Truman Schultz served as trainer.

Under new head coach Chuch Genin, the Rocks fared well this Basketball season placing Second in District 8AAAA. I feel that the future of basketball here at St. Stanislaus is very promising. Our J.V. team posted a 14-1 record while our 9th graders posted a 14-2. Our younger teams are composed of athletes determined to improve their playing skills and to work at bettering themselves as individuals for the benefit of the team."

Team members Louis Schruff, Ya Sin Shabazz, and Steve Montagnet were selected All District Varsity Players.

Other individual team awards were also given: Best Offensive Player went to Louis Schruff. Leading Rebounders went to Steve Montagnet and John Keller. Most Assists went to Ya Sin Shabazz and Most Steals went to Josh Bowles.

Jay Artigues paced the offense with a .467 batting average while William Scarbrough hit .318 and Rocky Rhodes .300 respectfully.

The pitching staff included Cedric Smith 6-4, Tom Zant 2-3, and Loyd Nicaud 2-0. The Rocks were supplied with a solid infield. William Scarbrough did the job behind the plate.

### Racketmen Capture District Title

The 1987 S.S.C. Tennis Team: Front Row — David Bourgeois, Marco Lau, Philip Pratt, Michael Wolf; Back Row — Terry LeBourgeois, Scott Comeaux, Pat Fellows, Steve Bouis, Michael Cromwell, Coach Myron Labat.

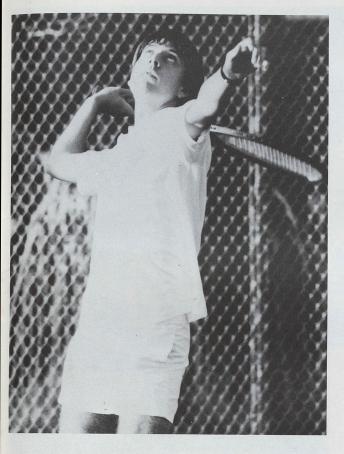

The S.S.C. — O.L.A. Tennis Team finished the 1987 season with a 10-2 regular season won/loss record. After winning District 8AAAA Championships in both boys' singles and boys' doubles, hopes were high for the State Tournament. The Rocks tasted defeat only three times all season — to top-ranked Gulfport and Ocean Springs during the regular season and to powerhouse Laurel in the second round of the State Tournament.

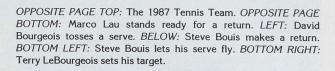

First year player Philip Pratt handled the "A" Singles chores and finished with an 8-2 worksheet. Seniors Steve Bouis and Marco Lau won consistently and went undefeated (9-0) for the year. Scott Comeaux and David Bourgeois alternated and did credible jobs at that position.

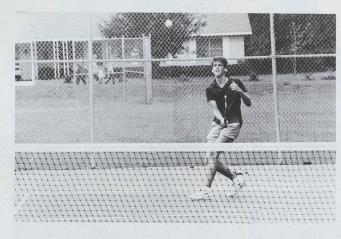

The Rock-a-chaw "B" Team also provided excitement throughout the season. They hustled their way to a perfect 8-0 season. Mike Cromwell and Pat Fellows handled the "B Doubles" chores while Terry LeBourgeois was the top "B Singles" player with a 6-1 record sheet.

The Rocks have fared well under District 8 "Coach of the Year" Myron Labat. Their record for the past two seasons: 21 Wins, 3 Losses.

#### Thinclads Place Third In District

By placing Third in District, this year's Track team established itself as a tough competitor for area rivals.

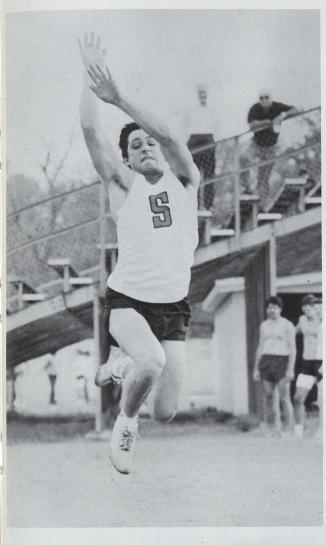

In the field events, Michael Casano proved to be a strong asset by placing 2nd in District, 4th in South State and 3rd in State in Pole Vault. In Triple Jump senior Clinton Edwards placed 3rd in District against some stiff competition. Gererdo Rue Garcia, a sophomore, set a District Record in Discus with a throw of over 119 feet.

Our 440 Relay Team placed 3rd in District while our Mile Relay Team (Michael Casano, Shane Harris, Gino Ascani, and Shannon Garrett) came in 2nd.

In the Running Events, Clinton Edwards placed 3rd in District running the 220. Kieth Robinson set a new District record in the 880 with a time of 2:06. Kieth placed second in South State with a 2:03 being surpassed only by George Kirsh who is currently National Record Holder for the 880.

Joe Gex placed 3rd in District running the 330 intermediate hurdles while Todd Blackwell showed excellent form on 120 high hurdles.

## DORM LIFE

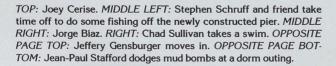

#### Brother Neri's Dorm

Brother Neri Falgout, assisted by Mr. Cecil Spotswood ran the 6th and 7th grade dorm with confidence. During the year students enjoyed swimming, football, soccer, basketball, softball, and sometimes tennis. There were also nighttime activities. Some students enjoyed an exciting game of tag while others went to the recreation hall to play Atari, foosball, ping pong, and pool. Others could sit back, relax, and watch a good TV show. After school Brother Neri lets some boarders go for a walk to the candy shop, or go to the beach. On weekends, the students that stay may see movies, go shopping at the mall, or go skiing. A very popular sport in the dorm is skateboarding. We thank him for the times that he has given us and for giving the 6th and 7th graders a great year.

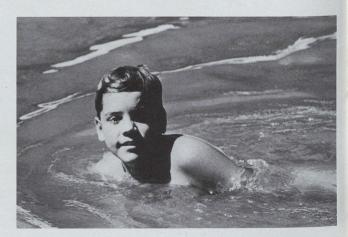

Wedon Brown David Gianechini

#### Brother Eduardo's Dorm

The boarders in Brother Eduardo's dorm lead an eventful life. We get up at 7:00 am. From 7:10-7:55 we get dressed for school, eat breakfast, and clean our rooms. At 8:07 the bell rings for school and school starts by 8:10. At 3:06, when school lets out, we go back to the dorm to get our allowances, change clothes, and get our mail. Then, at 3:25 the dorm closes and we're off either to intramurals, the library, or the rec-hall. By 4:20 the dorm has reopened and its time for showers. From 5:30-6:30 we have study hall. 6:30 is dinnertime and when we're through we have rec-hall until 8:00 pm. From 8:00-8:15 we're in the chapel relaxing and reflecting upon our day. From 8:15-9:15 we have our final study hall and then it's back to the dorm to get ready for bed. At 9:45 it's "lights out" . . . a boarder's day has come to an end.

### Brother Dwight's Dorm

This year's prefect of the freshman dorm was Brother Dwight. He took the place of Bro. Raymond who decided to take a break. I was talking to Brother Dwight one day on how he felt, this being his first year prefecting. He told me that the first day he was nervous, but as time passed and things started to cool down, he found out that it wasn't so bad. He told me that he really enjoys prefecting.

Brother Charles is the assistant prefect of our dorm. He has been assistant prefect for two years in the freshman dorm. A majority of the students favor Brother Charles. He is fun, likable, and a good sport.

This will be Brother Dwight's last year at St. Stanislaus. Next year he will return to Brother Martin High School in New Orleans. We wish Brother Dwight the best in his new position. We enjoyed having him as prefect.

#### Brother William's Dorm

Brother William entrusted us with many privileges and responsibilities. He kept trusting us unless we proved him otherwise. When people fell short of their responsibilities Brother William dealt with them, but he always gave them a second chance.

As a group, we did not handle certain situations very well, but on an individual basis Brother William said, "It was one of my most cooperative dorms that I have prefected. It was an enjoyable year as a prefect."

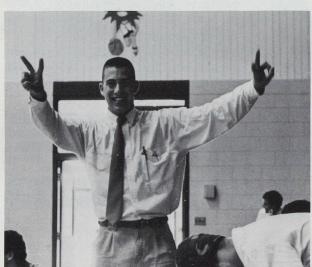

Although Brother William is the sophomore prefect the dorm had eleven freshmen. Most of us were kept busy during the year by school activities (which sometimes included detention).

Most of us would agree that it was an enjoyable year, and we are looking towards more privileges in Brother Joseph's Dorm next year.

### Brother Joseph's Dorm

My first day at St. Stanislaus was a scary experience. It was such a new thing for me. I was afraid, confused, and most of all — homesick. Within a week or two, I had settled into the routine of dorm life.

Friends in the dorm develop a bond between each other. When you eat, sleep, study, and hang out with your best friend the result is a true lasting relationship.

Life in the dorm builds character and discipline, and also broadens one's horizons. The students here are from a broad spectrum of life. This exposes us to a wide range of philosophies and cultures.

Brother Joseph is an inspiration to all of us. He lives under the same conditions and spends day after day laboring for our benefit. My two years in the dorm have been enjoyable. I will have only fond memories of this place, as will my classmates.

#### REFLECTIONS . . .

#### The Beginning of St. Stanislaus

In 1853, Reverend Stanislaus Buteux, pastor of Our Lady of the Gulf Catholic Church in Bay St. Louis, Mississippi, was very concerned about the religious education of the children in his parish. He contacted Brother Alphonse, provincial superior of the Brothers of the Sacred Heart, and requested that some Brothers be sent to Bay St. Louis to teach in a school for boys. Brother Alphonse approved this idea, and on January 5, 1854, three men — Brothers Basile Venable, Leo Maligne, and Joseph Deimer — arrived in Bay St. Louis.

In the fall of 1854, Father Buteux traveled to France, his native land, to ask Brother Polycarp, superior general of the Brothers of the Sacred Heart, to send more Brothers to Bay St. Louis. His request was granted; and when Father Buteux returned from France on January 11, 1855, he was accompanied by four additional Brothers.

The Brothers were able to purchase a plot of land for \$4000 from Mr. Robert Clannon of New Orleans. This lot was only a small part of what would one day comprise the entire campus of St. Stanislaus College. As soon as this first lot was acquired, Brother Leo Maligne and the other Brothers began the construction of a wooden building for school and boarding purposes.

The first building was eighty feet long, thirty feet wide, and two and one-half stories high. The building was simple in appearance but proved to be extremely functional. The entire structure was built for \$3800. This was the beginning of St. Stanislaus College—a school named in recognition of Father Stanislaus Buteux and placed under the patronage of St. Stanislaus the patron saint of youth.

For the past 133 years the Faculty of St. Stanislaus have trained over 10,000 students in the principles of Christian doctrine and education. These young men upon leaving St. Stanislaus have taken their place in the world as true "men of character."
